

# Create Your Own Review Game!

## ASSIGNMENT:

Your assignment is to create an SOL review game for one (or multiple) core subjects. I'm leaving the creativity up to you! You may create a board game, a Power Point, a windows movie maker review....*the sky's the limit!*

## CRITERIA:

1. You must create review questions from any of the following subjects:
  1. *Physical Science*
  2. *Earth Science*
  3. *Math*
  4. *Language Arts*
  5. *Civics*
  6. *Economics*
2. You must have at least **15** questions (with answers either included at the end or throughout the game).
3. For each review question, you must include the SOL it falls under. You need to create questions from no less than 8 different SOLs. (\***See:** <http://www.doe.virginia.gov/VDOE/Superintendent/Sols/home.shtml>)
4. You must turn in a description of your game, including the rules of play, questions and answers, etc.

## GRADING:

*This is a project grade!* You will be graded according to accuracy of questions and answers, following of directions, effort, and creativity.

## OTHER:

\* We will try to have the opportunity to play each and every review game, if time permits.

\* I will allow partners (only if approved prior), but partners must create at least **20** questions. I will expect exceptional work!

**All projects must be turned in by Tuesday, April 28<sup>th</sup> (G) or  
Wednesday, April 29<sup>th</sup> (B).**
